Sir:

**DECLARATION IN SUPPORT OF FILING ON
BEHALF OF OMITTED INVENTOR UNDER 37 C.F.R. § 1.47(a)**

1. I, François GRENET, Director of Séripharm S.A., Technopole Université,
1, rue Démocrite, 72000 Le Mans, FRANCE, do hereby declare and say that:
2. This declaration describes the diligent and *bona fide* efforts made to
secure the execution of the Declaration and Power of Attorney and Assignment for the
above-identified application by inventor Jean-Pierre Robin, and Mr. Robin's refusal.
3. I have first-hand knowledge of the facts set forth in this declaration.

4. Mr. Robin is one of the named inventors of the above-identified application. The other named inventors are Luc Chanteloup, Bruno Chauveau, Christine Corbin, Robert Dhal, Sonia Le Guen, Arnaud Lamy, and Antoine Leze.

5. Mr. Robin's last known address is 28, rue Sainte-Croix, 72000 Le Mans, FRANCE. Mr. Robin is currently employed at Paclipharm, 24, avenue Olivier Messiaen, 72000 Le Mans, FRANCE.

6. I received the application papers, including the specification, Declaration and Power of Attorney, and Assignment, from Rhône-Poulenc Rohrer S.A. for signing by the named inventors. The application papers were due to be filed in the United States by April 27, 1998 in order to maintain priority to the PCT application.

7. On or about March 16, 1998, I personally presented or mailed the application papers for their signatures to the named inventors besides Mr. Robin. Luc Chanteloup, Bruno Chauveau, Christine Corbin, Robert Dhal, Sonia Le Guen, Arnaud Lamy, and Antoine Leze duly executed the application papers. This group did not include Mr. Robin, who at that time was employed at Paclipharm.

8. Shortly thereafter, I called Mr. Robin at Paclipharm to make an appointment with Mr. Robin to execute the application papers.

9. Some days after my call to Mr. Robin, we met. During this meeting, I requested that he sign the application papers. Mr. Robin reviewed the application papers and informed me that he had made up his mind not to sign the application

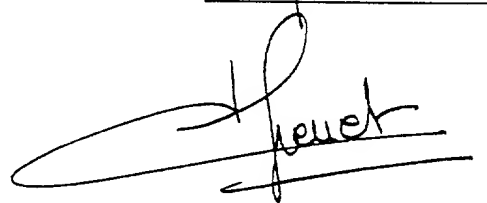

papers. Mr. Robin explained to me that his refusal was because of complex business difficulties between his company, Paclipharm, and Séripharm, which is a wholly-owned subsidiary of Rhône-Poulenc Rorer, S.A., the assignee of the above-identified application. Mr. Robin further stated that he did not believe that his position would affect the ability to proceed with the international filing of the patent application.

10. I concluded from the events described above that Mr. Robin's conduct, after our diligent and *bona fide* efforts, constituted a refusal to execute the Assignment and Declaration and Power of Attorney.

11. All statements made herein of my own knowledge are true, and all statements made on information and belief are believed to be true; these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.
